

TRANSFORM SCHOOL NUTRITION WITH INNOVATIVE MERCHANDISING

The Signature of Quality®

THE CHALLENGES OF K-12 NUTRITION

SERVE FASTER, SMARTER, & MORE.

We Can Help.

It's a new era for
K-12 Nutrition.

There are too many alternatives drawing revenue away from schools including off campus fast food restaurants, convenience stores, and the lack of dedicated cafeterias to name a few.

To manage, schools need innovative new ways to nourish young lives and help their programs thrive. That's where Federal Industries comes in.

3-in-1 Vision Series Flex™

Maximize limited space with the ability to "flex" between refrigerated, heated, or ambient food and beverages with one multifunctional grab-n-go merchandiser.

1. REFRIGERATED

2. HEATED

3. AMBIENT

Federal Industries has transformed the traditional milk merchandiser into an eye-catching Grab & Go solution with easy customer access, rear loading, and effortless cleaning. Its flexible design maximizes capacity for milk crates or converts with adjustable shelving to showcase a variety of refrigerated food and beverage favorites.

- Rigorously tested temperature controls keep products fresh and safe
- Self-serve design keeps cafeteria lines moving, even with limited staff.
- Lower deck is easy to reach for even the youngest users.

Serving Up What K-12 Nutrition Needs!

Grab & Go Solutions Engineered for Schools

BUILT FOR YEARS OF TROUBLE-FREE SERVICE

American made to meticulous standards

- Powder coated metal frames withstand high humidity and repetitive movement and NEVER warp or weaken like wooden frames
- Premium materials – rust-free stainless steel deck pans, moisture-proof side panels that won't delaminate, and coated evaporator coils that resist corrosion
- Energy efficient, long lasting, LED lights
- Every model rigorously tested in our UL-approved laboratory to ensure temperature uniformity and food safety

ADAPTABLE

Keep merchandise relevant with merchandisers that adapt to changing demands

- Shelves and lighting adjust to display virtually any menu item
- Add casters for easy relocation
- Combine multiple merchandisers for an efficient line-up and consistent presentation

VRSS4860C-SLD

The Right Fit for Any K-12 Nutrition Program!

Solutions Built to Ace Any Space

EASY & EFFICIENT

Conserve energy, preserve food and beverage quality and reduce labor

- Replace lights, move shelves, and do routine maintenance without tools
- Sensor-driven defrost reduces energy consumption
- Insulated cabinets conserve energy
- Energy efficient LED lighting
- Optional rear door access for uninterrupted service while restocking

CUSTOMIZABLE

Virtually limitless customization opportunities

- Tailor your merchandiser's with laminates, rear loading doors, internal colors and many other options including joining multiple cases together to create a continuous line-up
- Designed-to-order graphics – from menu promotions to your school mascot
